J.B. GROUP OF INSTITUTIONS

The Institutions :

J.B. Group of Institutions (JBGI) a unit of J.B. Foundation Trust greets you with sheer delight to the world of Medical Sciences. The Institutions has been established with the aim to impart top quality of education to the students to meet the goal of success in the field of Medical Sciences. Medical professionals are the important parts of He alth care systems, they plays the vital role in Hospital as well as in the field of industry. J.B. Group of Institutions is a pioneer institutes established with a warm dignity to educate the new generation of North- Eastern Region who can dedicate their services for the benefit of the poor and needy people in need.

MISSION:

J.B. Group of Institutions (JBGI) foster a educational centered, research oriented and society beneficial learning environment to encourages the young generation to share their contribution in the professional field. We always privilege and guide our students to provide compassionate pharmacist delivered patient care and inspire the students to interactive talent competition to achieve the healthy inter-professional collaboration. Our hard working and highly experienced faculty always in search for the students to achieve the goal of success.

VISION :

To be a global Institutions imparting quality Medical education advance and disseminate learning and knowledge to create leaders and innovators to develop the sense of responsibility to serve for the society and industry.

FROM THE DESK OF CHAIRMAN:

Dr. J. Islam
Chairman
J.B. Foundation Trust

It's a great honour & privilege for me to extend my heartiest welcome to the students of J.B. Group of Institutions (JBGI). Since the inception of the J.B. Foundation Trust in the year 2006 it is inspiring, engaging and promoting higher education throughout the whole North- Eastern region. J.B. Group of Institutions are the pioneer Institutions established with a great dignity to educate the new generation of youths in the field of health care Sector. Medical profession is a noble profession to provide our best effort & services towards the human welfare with earnings too to survive our family smoothly. Assam is the integral parts as well as the corridor of North-East, So with the view to educate the growing generation of the region, J.B. Group of Institutions always tries to achieve the goal of success with a glorious victory on Medical education. The North-Eastern region is lacking behind the quality education facilities in comparison to other states. After completion of (10+2) standards students used to fly outside North-East for their higher studies. So with keen dignity, prospect and aim J.B. Group of Institutions forwards steps in the field of higher studies in Health Care & Allied sciences (Medical/ paramedical, Nursing, pharmacy etc.) for the bright future of the students of this region. The Institutions always in search & constant touch with the trends in the field of modern & up to date education, exploration and thus it has maintained its peace & unbeaten progress realizing its aim and objectives. We will only achieve the same if we work together and if we dedicate our collective resolve to confront disputes and disagreements . Your assistance is crucial and I am looking forward to work with you as we constitute strengthen and improve the J.B. Group of Institutions. Our sister Institutions "J.B. School of Nursing offering ANM & GNM Nursing from 2014 onward. J.B Institute of Pharmacy (B. Pharm. & D. Pharm.) and J.B. College of Health Sciences (BPT, BMLT & DMLT) under the same umbrella. Sky is the limit of "J.B. Group of Institutions (JBGI) ". Please feel free to send me any query or comments you would like me to consider. Those who wish to be the " Eagle of Medical Professionals in future" are most welcome to the world of J.B. Group of Institutions (JBGI), Guwahati.

I am looking forward to the next part of our collective journey towards * SUCCESS *
